# Present \$750,000 Bond Issue

## LOCKPORT--

Lockport City Council once again discussed the upcoming \$750,000 bond referendum at last Monday's session. Attorney Gene Korst read the proposed ballot which will be placed before the voters Saturday, June 21. Four polling places designated. Polls will be open from 6 a.m. to 6 p.m. and five judges will be at each poll. Ward one polling place is Homerding's garage; ward two, Lockport Township library; ward three, Central High School; and ward

four, Taft School.

Central High School; and ward four, Taft School. Present facility is not capable of handling the additional population.

Lockport Heights and Bonnie Brae Sanitary Boards requested a meeting with the city council to determine who would service incoming industry on the recent pre-annexation agreement of property located on

151st St.

Meeting is set for June 19 along with the water board.

Council authorized the mayor and several police officers to attend the human relations workshop for police and municipal officials June 26-28 on the Western Illinois University campus at Macomb. Cost is \$10 per person to be funded under the Title I federal grant.

Council will direct a letter approving the passage of House Bills 525 and 526

allotting more funds for police and fire protection.

Frank Meyers, street chairman, recommended the hiring of Louis Meurer as a working foreman subject to a physical examination. He and Gordon McCluskey, director of public works, had gone over the applications received. Working foreman is responsible to McCluskey.

Raises for the street department will become effective July 1. McCluskey said

he has hired eight boys for summer work. Pay scale will be \$2 per hour. McCluskey said he has more than enough work to keep them busy all summer.

Auditors Bansley and Kienner will be retained for the coming fiscal year at the recommendation of Swen Nelson, finance chairman.

Bob White, police chairman, said negotiations have been going on between the committee and the police department. He expects

something concrete for the next council session.

Council adopted a resolution proclaiming the week of June 8 as Little League Baseball Week.

Meter Officer Robert Rumples request regarding increase in salary was referred to the police committee.

Council approved closing off 11th and 12th Sts. at Hamilton for the Shepherd of the Hill Lutheran Bible School this summer subject to the fire chief's approval.

# Set Will County Zoning Hearings

## JOLIET--

Will County zoning board of appeals will hear several cases Thursday, June 12.

Request for rezoning R-2 to B-1-B by Rev. Fred McCorvey for lots 24, 25 and 26 in Sterns Gardens subdivision, located on the west side of California St. north of Princeton, Lockport will be heard June 12 at 7:30 p.m. at Lockport city hall.

## Issue Permits On Control Of Pollution

SPRINGFIELD: Twenty-eight permits for installation of facilities with air pollution control devices were issued during May, according to C.W. Klassen, technical secretary of the Illinois Air Pollution Control Board.

The permits issued in this area include: Cook County - C.F. Braun and Company, Lemont, new sulfur plant and auxiliaries; and Will County - Ordman's Stop and Shop, Lockport, incinerator to control fly ash. Estimated cost \$3,000.

and south of the Rock Island railroad tracks in Frankfort Township, requested rezoning I-1, R-1 and F to B-3. Case will be heard June 12 at 8:15 p.m. at Cooper and Hostert's garage in Mokena.

Two other cases will be heard in Mokena the same evening. Donald Van Vuren has requested rezoning F to I-1 for a part of the north-

east quarter of section two located on the west side of 80th Ave. south of I-80 in Frankfort Township.

Carl and Beatrice Tandy requested variation from the side lot requirements of the zoning ordinances for lot 22 in Brightwood subdivision located on Hillgate Rd. in Frankfort Township.

# Newspaper Starts Today

Today we introduce you to the new SOUTHWEST GRAPHIC.

The new publication succeeds the Lockport Herald, Mokena News Bulletin, New Lenox Press, Hampton Park Herald, The Lemont and the Frankfort Leader.

For many months Graphic Newspapers has been planning a publication which would provide readers with news coverage more complete and exciting than ever and advertisers with a media serving a larger segment of their market.

Tri-County Publishing Co., publishers of Graphic Newspapers, has invested more than \$100,000 in new equipment toward that goal.

The current publications now are the most widely circulated and provide the best community news coverage of any newspaper in their respective area.

The new SOUTHWEST GRAPHIC will be even better. It will serve an area of 200 square miles north and east of Joliet, print via the offset process and circulate, mostly by second-class mail, to more than 11,500 families each week on Wednesday.

Subscribers to the predecessor publications are advised that you will receive the SOUTHWEST GRAPHIC via mail or carrier the same as which ever newspaper previously had been delivered to you. All subscriptions will be honored without any increase over the same low price.

Persons interested in subscribing to the SOUTHWEST GRAPHIC should telephone 257-2234, or write to Circulation Department, Graphic Newspapers, 200 Main Street, Lemont, Ill. 60439.

Subscriptions are \$4 per year or \$7 for two years paid in advance and delivered by second-class mail.

# Name New Lenox Business Manager

## NEW LENOX--

William O. Cox, mayor of Gilman, Ill., 1964-69, has been hired by the village of New Lenox, in the capacity of an executive officer or manager.

He will be available at the village hall for residents and others who may have business to transact with the village, or who may have problems in which the village is involved. Cox is the owner of a restaur-

ant at Gilman.

The new official was hired on a three-month trial basis on a motion by Trustee Warning. The appointment was confirmed by an unanimous vote. So too was the hiring of William Simms, as building inspector. The recommendation to hire Simms was made by Trustee Wysock. This appointment also was made on a three-month trial basis.

Wysock said that Simms

was formerly a carpenter and general contractor and was familiar with all phases of construction. At present he is employed nights by International Harvester. He will be able to make inspections in the forenoons and the early hours of the afternoon, it was said.

The pre-annexation agreement between William G. Barr and the Village of New Lenox has not been signed.

Mayor Joseph Hartung reported that Barr, who has been tied up with legislative work at Springfield expected to be available for discussion over the weekend.

Edwin Falck, food market operator, who was one of the leaders of the residential group of the north edge of the village who installed sewer lines recently, represented his neighbors in complaining

## Community Club Honors Retiring School Teacher

### LEMONT --

Mrs. Elizabeth Biggins, who is retiring from Bromberek School in Lemont, was honored at a "This is Your Life" program, sponsored by the Bromberek Community Club.

Student who were in classes taught by Mrs. Biggins during her 15-year tenure

at the school, were present to recall the events of their years under her tutelage. Also participating were school board members, teachers, and old friends.

Mrs. Biggins was presented with gifts of a camera, table lamp, a cashier check towards a planned voyage, and two memory books.

Mrs. Kuntz was mistress of ceremonies and program organizer. She related various comical and nostalgic moments as each class was presented to Mrs. Biggins.

Refreshments were served following the program by Mrs. Barnes, Mrs. Gardner, Mrs. Picha, Mrs. Creed, Mrs. Weck, Mrs. Faldez and Mrs. McMillan.

The community will miss Mrs. Biggins, whose retirement plans include an extended tour of Ireland and Sweden.

## Cancer Fund Raises \$640 At Mokena

### MOKENA --

The recent cancer fund drive in Mokena was successful in raising \$640.59, it was reported by Robert L. Elkins, who captained the effort.

He said that congratulations and thanks were due the team members and individuals and business firms who contributed to the fund.

It was estimated there will be 36,000 new cases of cancer in Illinois alone this year. Thousands of such sufferers are helped, it was pointed out, thru the American Cancer Society, which the local drive support. Eventually it is believed medical science and its branches will find the cure for cancer.

## Frankfort May Add Touch Of West To Its 1890 Theme

### FRANKFORT --

Frankfort, which has capitalized on preservation of its 1890 atmosphere may add to its distinction with a western touch at its eastern fringe.

At the regular board meeting last week Village Attorney August Santoro told the trustees that he had been asked by Thomas McKay, a practicing Chicago attorney who owns the Triple R Ranch, southeast of Frankfort, to get their feeling on the possible annexation of his property.

According to Santoro, McKay would subdivide a part

of his holdings in one acre lots that would sell for approximately \$20,000 and the minimum priced home erected on any of them would be \$40,000.

McKay would pay for extension of watermain from the present village limits to his property, the board was informed, with the understanding that he would be reimbursed thru future tapons. He also wanted to get a variation or waiver of provisions in the subdivision ordinance that calls for paved streets, curbs, gutters and side walks. His development,

Santoro told the board, was intended to attract people who ride horses and while the streets surfaces would be an all-weather type it would be kind to horses hoofs. A western air would prevail.

McKay himself is an enthusiastic owner and breeder of quarter-horses. The quarter-horse is an agile, intelligent animal that is of great value in handling cattle, especially in cutting individual animals out of herds. They also are very fast over short distances and quarter-horse racing is quite a sport and has been since the Plains In-

dians acquired horses.

McKay would provide central stabling for the homeowners horses and security for the development. There was also talk of utilizing some property for condominiums and classifying some for commercial and light industry.

The trustees indicated they would be willing to go along with such a plan, provided that a sewer system was installed. It would not necessarily have to be hooked up to the village's sanitary sewer lines at the present time, but the village

would insist on the subdivider putting in a sewerage disposal unit that would take care of the area in adequate fashion.

Burt Breidert, chairman of the Frankfort planning commission who was present at the village board meeting, said that at its last meeting the commission had endorsed the planned unit development idea and considered the McKay proposal to be in that field.

Santoro was told that he could inform McKay that the village board was receptive to his idea.

## Admit

LOCKPORT--Debra Lianne Bitter, a June graduate of Lockport Central High School, has been admitted to the 1969-70 freshman class at Carthage College in Kenosha, Wis.

She is the daughter of Mr. and Mrs. Hugh J. Bitter, W. 143rd St. Bitter is superintendent of District 92 Schools, Ludwig-Reed-Walsh.

LOCKPORT ROTARY CLUB sponsored a bus trip to the White Sox Ball Park for St. Dennis and Kelvin Grove Schools. Attending were 33 youngsters and 16 rotarians. Lawrence Smith was chairman of the committee assisted by Bud Schager, Norm Pope, Rev. George Moulthrop and Gene Cornolo.

## Lockport Sets Sidewalk Meeting

### LOCKPORT --

Lockport city council at their last session discussed the upcoming June 17 sidewalk meeting set for 7:30 p.m. at city hall.

George Wolfe, councilman, once again indicated that the sidewalk ordinance now in effect should be amended to include all new buildings install sidewalks. Council did not take action on this amendment but will bring it up for discussion at their first July meeting.

Council gave permission to the Wolverine Pipeline Co. for the 16 inch line on 151st and Farrell. Pipeline will carry various liquids. Company has negotiated with property owners and received permission from them.

Council okayed a \$600 charge for the two new police car radios.

Parallel parking was dis-

cussed for 10th and 11th Sts. to reduce hazardous traffic conditions.

Gordon McCluskey, director of public works, said he has drawn up diagrams for parallel parking which will cut the parking meters in half. No action was taken on changing the parking as an ordinance is needed said At-

torney Gene Korst.

Under fire again was the unsafe condition of several buildings. Owners are to be notified and legal action will be taken if they do not comply.

Cutting of weeds on vacant property is also another stickler and touchy situation. City will cut the weeds on those

lots once again, bill the owners and place liens against the property. Attorney Korst will see that the letters are sent out. He said the ordinance includes parkways.

McCluskey asked the council what it intended to do about the junk vehicles parked at 10th and Commerce where the Woock building stood. An ordinance is on the books that the police can go in and ticket these cars and have them removed.

Lemont, Bolingbrook and Romeoville police forces will join hands with Lockport in case of civil disorders. These communities have agreed to send a certain number of officers and equipment. Each community will be responsible for its own men.

Bill on police uniforms was tabled until the figures can be checked out. Each man is allowed up to \$100 for clothing.

## Elects President

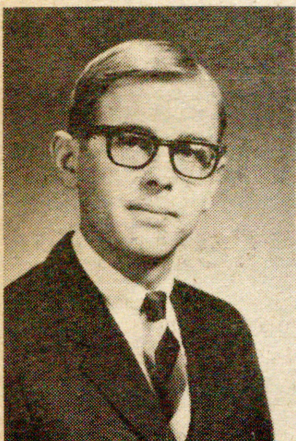

AURORA: C.J. Gauthier has been elected president of Northern Illinois Gas Company by the utility's board of directors.

The announcements were made by Marvin Chandler, NI-Gas' chairman and chief executive officer, following the company's annual meeting June 3.

Chandler also announced that William J. Crowley, another director, and former-

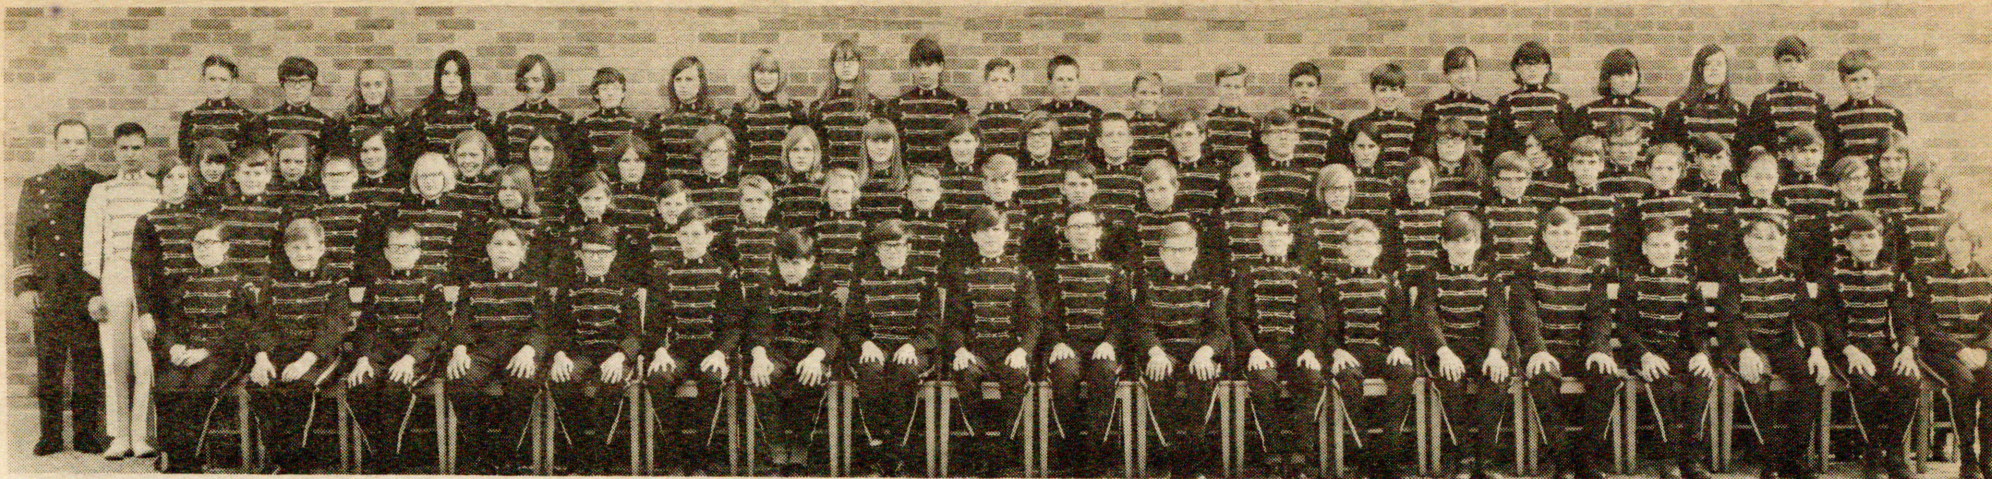

ly executive vice president-finance and corporate services, has been elected chairman of NI-Gas' finance committee.

In other organization changes announced, two vice presidents were elevated to the new posts of senior vice president. Howard E. Ford is now senior vice president who is now vice president-marketing planning and services.

RICHARD D. OSMUS, son of Mr. and Mrs. Howard Osmus, of Frankfort, received a master of hospital administration degree, June 1, at commencement ceremonies of Georgia State College, Atlanta, Ga. He attended Lincoln-Way High School and was graduated from Valparaiso University with a degree in management.

**LOCKPORT DISTRICT 92 BAND** members are in the final stages of preparation for the eighth annual national high school band contest to be held at Virginia Beach, Va. June 16-19. Band, comprised of students from Ludwig-Reed-Walsh Schools, is the first junior high school band allowed to compete in this contest. Students have been rehearsing twice a day to prepare for the contest which will test each band in the categories of inspection, parade, field routine, concert and sight-reading. District 92 band will be required to compete in all categories and will be rated as a high school band. Virginia Beach Festival has a full quota of 26 bands from West Virginia, Tennessee, Virginia,

Pennsylvania, Ohio, New Jersey, Maine, Louisiana, Kentucky, Iowa, Indiana and Illinois. List of judges includes composers, arrangers and conductors of the highest reputation in the music field. In grade school competition the marching band has won every contest entered the past four years. This includes competition at Plainfield, Morris, Lemont and Muskegon, Mich. In concert competition the band received a first division rating from every judge the past five years. Band has won the outstanding band trophy at district contest the past three years. Band leaves Lockport Saturday, June 14, and will return Friday, June 20. Lockport District 92 Band Parents raised the entire funds for the trip.

## Traffic Crash Kills Mokenan

**MOKENA --**

Funeral services were held last Friday, June 6, for George Sims, 70, of 19243 Wolf Rd., Mokena, who was fatally injured June 3 in a traffic accident east of Coal City at the intersection of Illinois 129 and Coal City Rd., in Grundy County. He was brought to St. Joseph Hospital, Joliet, where he was pronounced dead on arrival. An inquest will be held at Joliet but no date has been set.

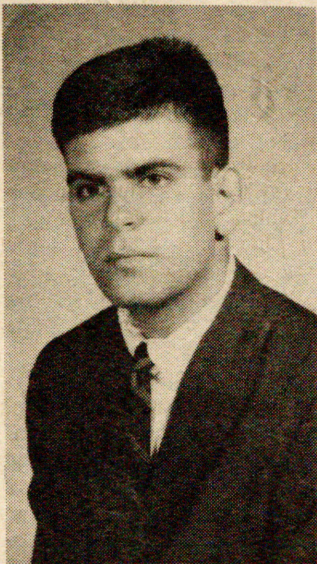

Mr. Sims was a passenger in a car driven by his wife, Eleanor, 59. According to the report of state police the Sims, west bound, was struck on the right side by a south-

bound truck, driven by Harold Simon, 42, of Rt. 4, Kan-kakee. The impact threw the Sims car against a panel truck, operated by William Eaton, Jr., 26, of Pontiac, which was facing east at a stop sign on the Coal City Rd. Eaton was unhurt.

Mrs. Sims, another passenger in the Sims car, Mrs. Lone Stauffer, 63, of Mokena, and Simon, were treated for injuries at St. Joseph hospital.

Mr. Sims' funeral was conducted from Hitzeman Chapel at Brookfield.

Besides his widow, Mr. Sims is survived by a daughter, Ello Louise, Mrs. Rocco Patti, three grandchildren, and a brother, Tom.

**DAVID HOWELL**—David Howell, son of Mr. and Mrs. Ralph Howell, 11111 McGovney St., Mokena, will graduate June 14 at Northwestern University at Evanston, with a degree in Industrial engineering. He graduated from Lincoln-Way High School in 1964.

## District 88 School Salary Negotiations at Standstill

**By Beverly Smutnak**

Crest Hill -- Salary negotiations between the teachers and school board of Chaney Monge School, District 88 in Crest Hill, reached a weary standstill as of the last school board meeting.

At a teachers organizational meeting, teachers voted 29 to two to reject the package offered by the board, which gave an increase of \$500 to \$900 to 22 teachers, \$1,000 to \$1,600 to 13 teachers, \$1,700 to \$1,800 to two teachers and \$2,400 to \$2,500 to one teacher. Package cost is \$37,770 and \$6,840 for medical expenses, bringing the complete cost to \$44,610. For the 37 teachers involved, it represents a \$1,174 increase per teacher.

Teacher E.J. Sova, representative of CMTO (Chaney Monge Teachers Organization), said the package was rejected mainly on the insurance policy part of the plan. The "fly in the ointment" said Sova was the exclusion of teachers from enjoying a family plan as the board now grants to the superintendent and custodians.

Medical plan selected by the board plan A with the New York Life Insurance Co., is for coverage of the employee only. Teachers ask equity in this area.

President Dan Barone told Sova "The custodians chose to forgo a raise awhile back and chose a family plan instead." He added, "the district cannot pay a family plan."

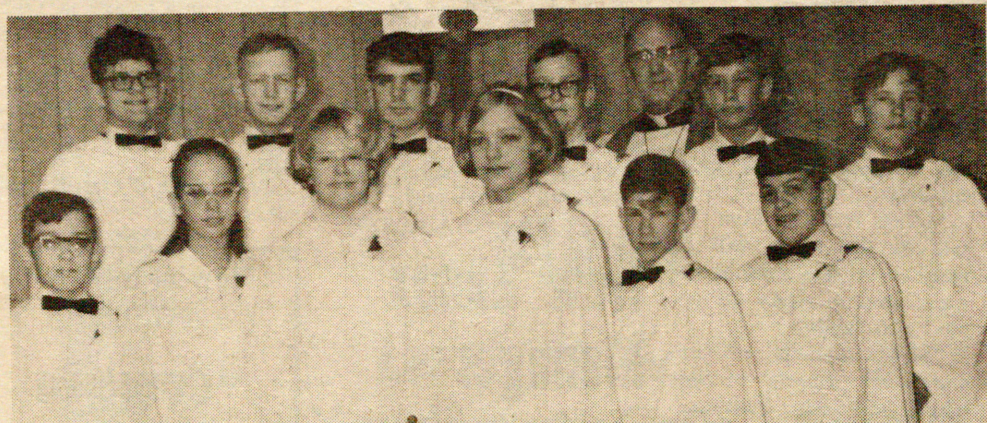

Board member Don Randich, who served on the negotiating team, felt after 27 meetings between their team and CMTO, the board had "bent over backwards" to arrive at this proposal. Randich added, however, that he questioned the choice of New York Life plan A. Since it was not of the teachers choosing and the right of the board to impose the plan on them. He suggested the board set a rate and consider the insurance issue again.

Sova told Randich that CMTO had sent out specifications for bids to four insurance companies on four comparable plans. New York Life chose to submit several alternate plans. One of these

## Crest Hill Mayor Berta Appoints Police Chief

**By Bevely Smulnak**

Crest Hill appointment of a permanent police chief for the city of Crest Hill and the announcement of an entirely new three man Civil Service Commission busied the Crest Hill City Council for a major share of their meeting.

Paul J. Eaker, who has held the post of acting chief the past two months, was appointed permanent police chief by Mayor Frank Berta. Of the appointment Mayor Berta remarked that Chief Eaker has kept "me informed on matters and has done a commendable job" under difficult circumstances.

However the council was

less enthusiastic as they cast a four to three vote favoring Eaker's appointment. Ward four Aldermen Colombo and Ficke cast negative votes and gave no reason for such action. Ward three Alderman Dale Sealy cast a no vote and elaborated that he did so solely on a qualification basis.

Eaker does not meet the standard requirement of 10 years of police experience, a pre-requisite for this position. Sealy went on to explain that he had voted no on the same basis when the previous chief, Ted Linich, was appointed. He felt voting yes at this time would be "hypocritical."

Mayor Berta announced the appointments of Carl O'Leary and John Hankovack to the Crest Hill Civil Service Commission. O'Leary will replace Tom Talarico. His term began June 5 and will run three years.

New board will be comprised of O'Leary, Hankovack and recent appointee Don Koren of Richland. Alderman Ficke introduced a motion to authorize the Civil Service Commission to hire two additional radio clerks at a starting salary of \$1.66 per hour and to dispense with the answering service. Motion carried.

A police uniform policy was discussed.

## Romeoville Day Center Cancelled

**HAMPTON PARK --**

The Rev. John C. Huff, pastor of the Hampton Park United Presbyterian Church, Romeoville, announces the Community Day Care Center has been cancelled due to lack of response. Church had proposed this center as a community service and planned to open it June 16.

Church committee, chaired by Leo Osborne, started working in February to establish a non-profit day care center for preschoolers of working mothers. Committee felt that day care

was a critical need in the Hampton Park area.

After extensive promotion, flyers delivered door to door in Hampton Park and posters at local stores, only six residents inquired and no applications had been received.

The church is still interested in serving the community so it adopted a statement of intent at the June meeting. Substance of the statement is that the services and facilities of the church are offered for the community use whenever needed.

# Unit OK's Will-Grundy Lake

JOLIET --A "do pass" recommendation was given funding legislation for a lake in the Will-Grundy-Kankakee area by a Senate appropriations committee this week.

Meade Baltz (R-41st District), sponsor of the legislation, the bill provides funds for a lock and dam on the Kankakee River in southern Will County.

It includes \$20,000 for a feasibility study and report on land acquisition and construction of a dam, plus \$1,552,000 for developing detailed engineering plans and specifications for constructing a lock and dam on the

river between Wilmington and Warner Bridge.

Baltz said the project will not only benefit the area as a source of recreation, but will also provide a desperately needed source of potable water.

"The State Water Board has been studying the water shortage problem in this area since 1960," Senator Baltz noted. "And their findings indicate we have to expand our sources of potable water."

Quoting William C. Ackermann, chief of the Illinois State Water Survey, Baltz explained, "The water table is dropping at a rate of 12 feet per year."

At present, only one municipality in the Kankakee River Basin obtains its water supply from the Kankakee River. However, municipalities outside the basin, such as Joliet, are expected to utilize the Kankakee River for water supply in the future.

In 1962 several Will County organizations engaged Stanley Engineering Co. to prepare a report on the water shortage situation. Company's recommendation was to use the Kankakee River as a potable water source.

Former Joliet Mayor James P. Hennessy, executive director of the Joliet Port Authority, since has been pushing plans for the development of the dam and reservoir.

"Ackermann considers Senate Bill 118 (legislation funding the project) to be of critical importance to the future economic growth of the surrounding area," the Joliet Republican noted.

Baltz said that between 1980 and 1990 Joliet must find a new source of water supply due to prohibitive pumping and treatment costs of obtaining water from its present well supplies.

Senator Baltz's legislation authorizes the Department of Public Works and Buildings to sell raw water from the reservoir to municipalities and governmental agencies only.

Money received from the sale of the water will be returned to the general revenue fund to repay the appropriated funds.

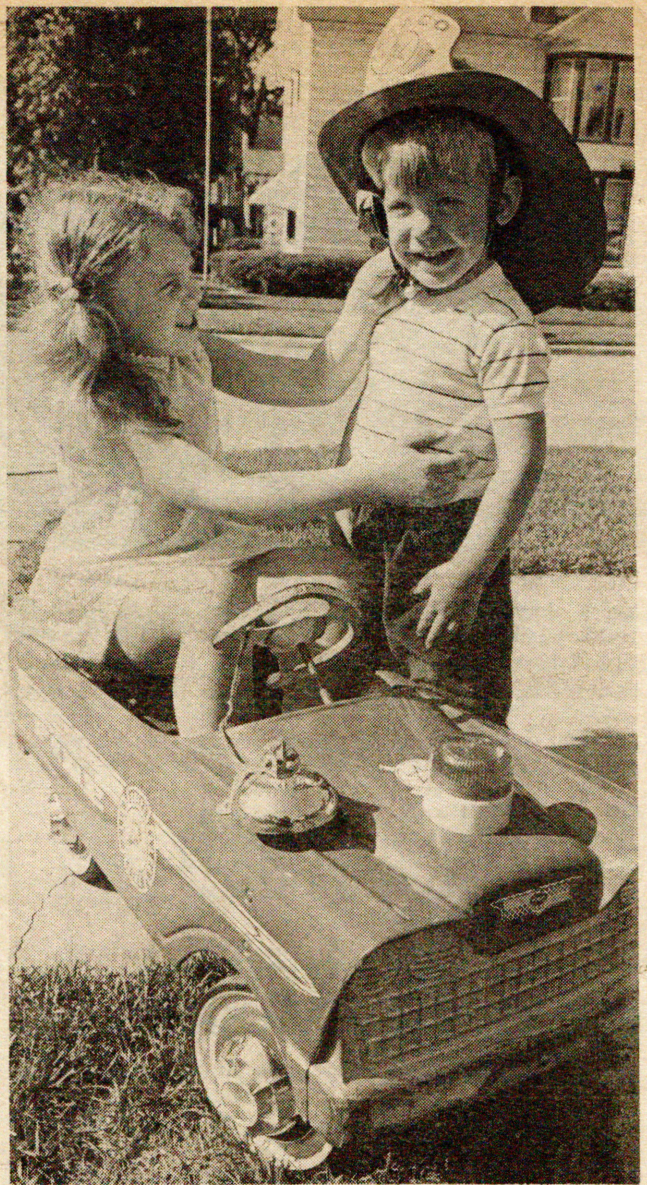

"The recreational and conservation aspects of this lake are also limitless," the Senator Republican said. Lake will back up to the borders of the Kankakee River State Park.

"Although appropriations for the lake have been approved by a legislative unit," the Senator warned, "the full senate, house and governor still have to approve the bill. As the revenue picture jells, we'll see whether or not the governor will look with favor on this subject."

More than 30 organizations and representatives of 38 incorporated villages and cities in the Will-Grundy area are on record supporting the lake.

Senator Baltz said he did not know who will sponsor the legislation in the House of Representatives, but the proposed lake is in the 42nd State Republican District and has the support of James "Bud" Washburn (R-Morris) and Thomas R. Houde (R-Kankakee).

Senate co-sponsors of the legislation include Edward McBroom (R-Kankakee), Harris Fawell (R-Naperville), Richard Larson (R-Galesburg) and Robert W. Michler (R-Oswego).

was picked by the board. He told Randich the company had erred in doing this.

Superintendent A. Carpentier reminded the board that the insurance negotiations are "between the school board and the insurance company and not between the insurance company and the teachers." He also said a maximum allowance rate of \$15 had been already set to protect the board if insurance costs rise.

Board member Tom Talarico questioned, "How can we intelligently offer any more," when it would be on

an anticipated and not actual income. Randich added, The "question of state aid is up for grabs next year."

He continued "Our district is tops in Lockport Township, and we are competitive, and we are doing the best we can. We in this district want to keep our heads above water and out of debt. So an alternative would be to go to the public with a referendum and let them know what it was for."

Two negotiating teams agreed to meet one more time to try to work out an acceptable solution.

The board backed Mayor Hartung in his instructions to the village clerk to inform the Saris Construction Co. that if the clean-up work is not completed within 10 days the village will not pay the company the 20 per cent of the job price it is withholding.

Trustees Schroeder and Wysock and Police Chief Joseph Wajchert are to make a study of the parking situation on certain streets and make recommendations as to whether parking should be banned, restricted to certain hours, or to one side of the street. The trio is to report back to the board at its next meeting, June 18.

Complaints also were voiced about semi-trailers parking off U.S. 30 with engines running.

## Loose Dogs Plague Frankfort

FRANKFORT --

The problem of dogs running loose, a common one for most communities, again arose to plague Frankfort village officials last week.

Householders of Connecticut Hills, represented by their association president Donald Stupp, complained that recently a child was bitten by a dog whose owner permits him to run at large.

It also was charged that the owner has not purchased a license for the dog, that this is known to Frankfort police and that no action was taken.

Mayor Glenn Warning and Trustee Robert Dean, head of the police committee, termed this as neglect by the police.

When Frankfort automobile owners apply for their village stickers they also

are required to fill out a form on the sticker application that states whether they own any dogs. There are still motorists who have not taken out village stickers, it was reported, and there are still dog owners who have not purchased licenses for their pets, it was brought

### Accepting Applications

Lockport Postmaster Matthew J. Viscum is accepting applications for custodial laborer positions at the Lockport Post Office. Positions are restricted by law to persons entitled to veterans' preference. Applications will be accepted from persons not entitled to veterans' preference; however, these will be considered only in the absence of veteran eligibles.

out at the meeting. The village is waiting for a list of Frankfort car owners from the state's office and then plans to force those who haven't paid village licenses on motor vehicles or dogs to do so.

Complaints have reached village officials that bushes and shrubs block view of motorists approaching certain intersections. It was moved to correct such conditions.

The board is considering appropriating up to \$10,000 to build a maintenance garage for its growing list of equipment.

There is to be a zoning hearing June 18 on the petition of the McIntosh real estate firm to classify a block of property in Lincoln Meadows on U.S. 30 to B 2, to permit any type of retail business.

## Curfew Will Come Earlier At Mokena

MOKENA --

The Mokena village board has amended the curfew ordinance by setting an earlier hour for persons under 18 years of age to be off the streets unless accompanied by an adult.

The hour had been 11 o'clock. Now it has been pushed forward to 9:30 for nights from Sunday thru Thursday. On Friday and Saturday night the younger element can circulate until a minute after midnight.

The board has changed its meeting nights now to the second and fourth Tuesday of each month instead of the first and third Wednesdays. The next meeting will be June 24. At that time bids are to be taken on extending water to the property line of the Alison Feeley, on 195th St. It will be a 10-inch line. He is building a four-unit apartment house there. The water will have to be brought under Wolf Rd. The sewer can be brought under 195th St. from the south side of the street.

Joseph DePaulo, who built an apartment building on the north side of First St., east of the corner lot at Mokena St., failed to provide parking space for prospective tenants. He owns the house east of the apartment and allegedly promised the village

that he would remove it and use the space for parking. There was nothing in writing but under the new regime everything is to be on record, it was said. A committee from the board and Village Attorney George E. Sangmeister were to talk with DePaulo this week. The village has this ace in the hole -- no parking space, no water.

The Lions Club of Mokena has offered to install lights at the two school crossings on Wolf Rd. that could be operated manually by the crossing guards. Clearance will have to be had from the state highway department.

Bids received for installing a communitor at the sewage treatment plant were rejected on recommendation of George Barber, of Mulford Engineering Service, village engineers. The figure was too high, he said, and added that the device, which is used for cleaning the screens in the treatment process, could be purchased and installed by village workers at a substantial savings.

One-way traffic on Second St., west from Division St. to Wolf Rd. is to be in force now only on Sundays. For the other days of the week it will serve as a two-way street for motorists.

## MILK The Big Lift That Lasts

June is a great time to enjoy milk and all those other favorite dairy products. Your family needs the vitamins, minerals and protein so abundant in milk to help them get the most out of summer.

Fresh whole milk and milk products served with breakfast, lunch and snacks will provide your family with the lasting vitality to get them through these busy summer days, with energy to spare. So for a cool summer lift, serve milk, nature's own convenience food product. It's a big lift that lasts.

## Little League Baseball Week

Two million youngsters, their parents and leaders of more than 6,000 communities will participate in the observance of National Little League Baseball Week June 8 thru June 14.

Originally set aside in presidential proclamation by the late Presidents Dwight Eisenhower and John F. Kennedy, Little League Week calls for nationwide attention to the Little League movement as a wholesome, beneficial experience carried on in the public interest for boys throughout the world. Local communities conduct special events during this period to highlight the activities of the program and to encourage support and interest.

In announcing plans for Little League Week, President Peter McGovern said the occasion of an annual observance serves to reaffirm the dedication of

thousands of men and women volunteers to the achievement of beneficial goals for the nation's youth. He emphasized that Little League is the only sports agency in the United States to hold Federal charter of incorporation and its role in cultivating a climate of decency, discipline and teamwork is vital to the preservation of American ideals.

Little League Foundation, which supports the work of the program, conducts its one-time-a-year drive for funds during Little League Week. As a deficit activity, Little League is dependent on the charitable interest of thoughtful citizens who recognize its values. These are translated annually to two million youngsters without resort to the tax dollar.

## Erlenborn Reports

### Appropriation Process

The appropriations process started in the last days of May with some clear indications that we haven't turned the corner toward a balanced budget yet, but the corner is in sight. I hasten to point out that the corner has been in sight on several previous occasions, but Congress has lost its nerve.

Two factors have caused this faltering in the past: pressure from the executive, and pressure from the concerned constituents.

It will be surprising if there is no pressure from the executive branch on appropriations this year (indeed, there already has been some), but we do not expect the arm-twisting variety.

As for the pressure from constituents, none of us in Congress can withstand it when it is carried to us with great determination -- and we should not. In a representative government, the people ought to get what they want and are willing to pay for.

I am firmly convinced that we must balance our federal budget and just start to pay off the huge national debt.

The House showed its temper in two actions taken in those late days of May.

First, there was the supplement appropriation bill, in which a ceiling of \$192.9 billion was placed on the fiscal 1970 budget. This means that, no matter how much money is authorized or appropriated, the purse will snap shut when the \$192.9 billion mark is reached.

I hope Congress will regard this as a ceiling on appropriations. I hope Congress will not be called upon to raise the ceiling.

Second, the House, in approving the appropriation for the Department of Agriculture, reiterated its belief that no farmer should be

paid a subsidy of more than \$20,000. A similar restriction passed the House last year, but failed in the Senate. The Senate view prevailed in the conference report.

I voted for the \$20,000 restriction, both this year and last year.

### Anti-Ghetto Bill

By Harris Fawell  
(State Senator)

Prevention of ghettos and school overcrowding took a major step toward realization as the Illinois State Senate overwhelmingly approved legislation sponsored by State Senator Harris W. Fawell (R-Naperville).

Fawell says the legislation enables tenants to sue and collect from the landlord an amount of money equal to three times the rent collected when the landlord converts a building to accommodate more family units than allowed by law.

"Slums and ghettos are created," Fawell says, "when local governments fail to enforce building and zoning laws. This legislation gives tenants the right to take action at no cost to the taxpayer to insure that the landlord lives up to the law."

Legislation passed the Senate by a 48 to two bipartisan vote. State Rep. Lewis V. Morgan, Jr. (R-Wheaton), will manage it in the House of Representatives, according to Fawell.

"Last summer, as a member of a Senate investigating committee," the Naperville Republican explains, "I discovered that the city of Chicago Building Department routinely turns its back while substandard four-flat apartment buildings are illegally converted and used for as many as 16 families."

Fawell says such violations are the first step in ghetto creation, school crowding and the general dehumanization of people.

"If the law were upheld it wouldn't occur," he says. "This puts a burden on the schools and all of society."

Fawell says the legislation is aimed at the Chicago metropolitan area, although it applies to all counties over 100,000 population.

He added to the original legislation an amendment which will allow the Department of Public Aid to collect triple damages when it pays the rent for welfare recipients.

Fawell is chairman of the Senate Municipal Corporations Committee.

### Need Public Disclosure

The public and legal community have been stunned by the implications of the case of former Supreme Court Justice Abe Fortas.

What concerns the public is not just the conduct of one man, but a more fundamental question: How often does this kind of thing occur? To what extent are men in high public office reached by people with economic power?

The safest, simplest answer is disclosure.

I have made my mistakes in public office. Anyone who has had to vote on thousands of measures before the legislature is bound to make some errors.

But one decision I made before I ran for public office was right then and is right now. I said in 1954 that each year I hold public office I would make public my personal income. I have done that now for 14 years.

When I was a member of the House of Representatives and of the State Senate, I sent my income breakdown to all of the newspapers in my district. After I was elected Lieutenant Governor, I have sent it to the news media in the state.

It does me no harm to disclose this.

If there is any financial interest which I have that the public thinks is improper, they can question me about it.

Another practice I have followed is to disclose how much is contributed to me in a campaign, how much has been spent, and for what purposes.

It is too late for legisla-

tive action in Illinois on income disclosure this session, but I would hope that the judicial branch of government, which has been given special electoral privileges, might lead the way in this matter.

Here are two things which could happen in the public interest:

1. All members of the U.S. Supreme Court could voluntarily disclose their sources of income.

2. In the next session of the Illinois General Assembly, a measure should be passed requiring all judges elected after Oct. 31, 1970 to disclose their sources of income.

These measures would gradually move us in the right direction.

Before I offered jobs to administrative assistants in my office, I required them to agree to disclose their personal income once each year, just as I do.

I want the public to have full confidence in our office.

The courts should want no less.

### On Duty

LOCKPORT--Airman First Class Albert Hardisty Jr. has arrived for duty at Murphy Dome Air Force Station, Alaska. He is the son of Mr. and Mrs. Albert Hardisty Sr., of 30 Orchard Lane.

Airman is a 1965 graduate of Central High School. His wife Cheryl, is the daughter of Mr. and Mrs. Lawrence Bregenzer, of 426 Ray May Dr., Joliet.

Dear Editor:

Without apparent concern for health, well-being or safety of the residents on Oldfield Road, bulldozers and earth-movers have made a "river of mud" from Orchard Road to Route 53.

The Will County Highway Department has torn up this section of road without affording the residents with any type of accessible road.

Since approximately May 1, the school children one-quarter of a mile west of James Road have either had to walk to Orchard Road or through the mud to Route 53. Now all school children living on this three to four mile strip of Oldfield Road have to wallow in mud to get to a spot which is accessible to a school-bus.

No thought has been given to the availability of food, accessibility of fire or police protection, or of the accessibility of ambulance service.

At present the only thing moving on this section of Oldfield Road are the bulldozers and earth-movers depositing more mud on top of the muck they have already created.

These are our tax dollars hard at work?

# Across The Editor's Desk

BY ANN KARKUT

A growing disrespect for law and order appears to be mounting throughout this great nation of ours. What is happening to this "land of the free and the home of the brave?"

Some facts on this disrespect have been gathered by the Illinois State Chamber of Commerce. They say that crime is increasing seven times our rate of increase in population--that's enough to scare you.

One-third of a representative sample of all Americans say it is unsafe to walk alone at night in their neighborhoods.

More than one-third say they keep firearms in the house for protection against criminals. Today there are more guns (200 million) in private hands than there are in all our military and police forces combined. Twenty-eight per cent of the population say they keep watchdogs for the same reasons.

Did you know that one boy in six is referred to the juvenile court and that although the 15 to 17 age group represents only 5.4 per cent of the population, this group accounts for 12.8 per cent of all arrests.

Riots in 1967 alone in our cities cost 117 lives and one billion dollars--this one billion dollars certainly could have been put to good use--particularly in our schools who almost all are delving into deficit spending.

We sent last year over two million Americans to prison or juvenile institutions or placed them on probation.

Crime cost business five billion dollars during a recent year and this figure does not include the costs of riots and organized crime.

Although the situation is grim it is not hopeless and each of us, as parent and as citizen, can help stem this rising tide of crime, delinquency, vandalism and riots in our communities.

State Chamber of Commerce makes some recommendations: Vote your convictions. Take your family to church. Accept your community responsibilities. Discipline yourself and family. Speak out against selective adherence to our laws.

Support local law enforcement authorities. Patronize businesses which believe in a fair and honest dollar. Become part of the vocal as well as the statistical majority. Accept the bill of responsibilities and then claim your bill of rights. Last but not least, back up your words and thoughts with action.

How should you act as a parent? First of all set a good example. Know where your children are and what they are doing. Encourage them to respect authority. Find out who their associates are. Encourage them to complete their education.

Establish a climate in the home conducive to respect for law and order. Teach your youngsters the difference between right and wrong. Don't always take their part in a conflict without determining the facts and once again, last but not least, set aside some time just for them.

You may ask why should you bother as you can't change the whole country anyway. But let's give it a try and hope there aren't too many individuals with a what's the use attitude.

More than 200 years ago Jean Jacques Rousseau wrote: "As soon as any man says of the affairs of the state, 'what does it matter to me,' the state may be given up for lost."

It's up to us. We're not lost yet, but time may be running out--for all of us.

## Roger Braley To Get State Farmer Degree

NEW LENOX --

Roger Braley, son of Mr. and Mrs. Donald Braley, New Lenox, and a member of the Lincoln-Way FFA Chapter, will receive the State Farmer Degree on June 12 at the State FFA Convention in Urbana.

The State Farmer Degree is the highest degree awarded by the Illinois Association FFA. Only 2 percent of the state's 16,500 FFA members receive this award each year. Recipients are selected on the basis of their leadership and participation in FFA activities, school and community activities, and income and net worth resulting from their

FFA programs.

Roger is a member of the first place parliamentary procedure team, and received the Supply & Service award.

Braley is a member of the house of representatives, president of Agricultural Careers Club, and has been a member of the golf team for two years.

He will enroll in Joliet Junior College this fall, and will major in agriculture Supply and Service.

# Derwinski Reports On Postal Reform

LEMONT -- Congressman Edward J. Derwinski (R-4th) has introduced the sweeping Postal Reform Bill in the House of Representatives which is recommended by President Nixon and Postmaster General Blount.

This proposal is a comprehensive, in depth approach to reorganizing the Post Office Department--something Derwinski has long advocated. "The basic concept of this bill provides for the creation of a self-supporting, government-owned

United States Postal Service," the Congressman said.

The measure also calls for: removal of the Post Office from the Cabinet, new and extensive collective bargaining rights for postal employees, bond financing for major improvements, a fair and orderly procedure for changing postal rates, subject to Congressional review, regular reports to Congress to facilitate Congressional oversight of the Postal system.

Under Derwinski's bill, the government-owned corporation would be administered by a nine-member board of directors selected without regard to political affiliation. Seven members of the Board, including the chairman, would be appointed by the President with the advice and consent of the Senate. These seven members would then select a full-time executive also would be selected to serve on the Board.

Postal employees will retain their Civil Service an-

nity rights, veterans preference and other benefits. It also provides, for the first time in history, true collective bargaining in the postal system. Workers in every part of the United States are given a statutory right to negotiate directly with management over wages working conditions.

"I agree with President Nixon when he said, 'delivery of the mail must be improved.' This bill can accomplish this," Derwinski said.

## Clean Water Tank

LOCKPORT--Gordon McCluskey, director of public works, informed the council at Monday's session that the Electro Rustproofing Co. will clean the 200,000 gallon water storage tank Tuesday, June 17.

He noted that the city is responsible for draining the tank which will be done Sunday, June 15. City will be on the well all the time the work is being completed. Pressure relief valve will regulate the system.

Chicago Bridge and Iron Co. will inspect the tank as it was built in 1944 by them.

Tank will then be refilled, chlorinated and tested. This process will probably carry over thru Wednesday and Thursday.

## Lions To Install Officers

MOKENA --

New officers of the Mokena Lions Club are to be installed tomorrow night (June 12) at a dinner meeting to be held at Al's Steak House, Joliet, to which the wives are invited.

Norman Strassenberg, the auctioneer, is to be installed as president, succeeding School Superintendent James Ennis.

Art Omland will take office as first vice president, John Weber as second vice president and Lyman F. Teague as third vice president.

Kenneth Heim, a former president, is to be installed as secretary as successor to the late Fred Lehman.

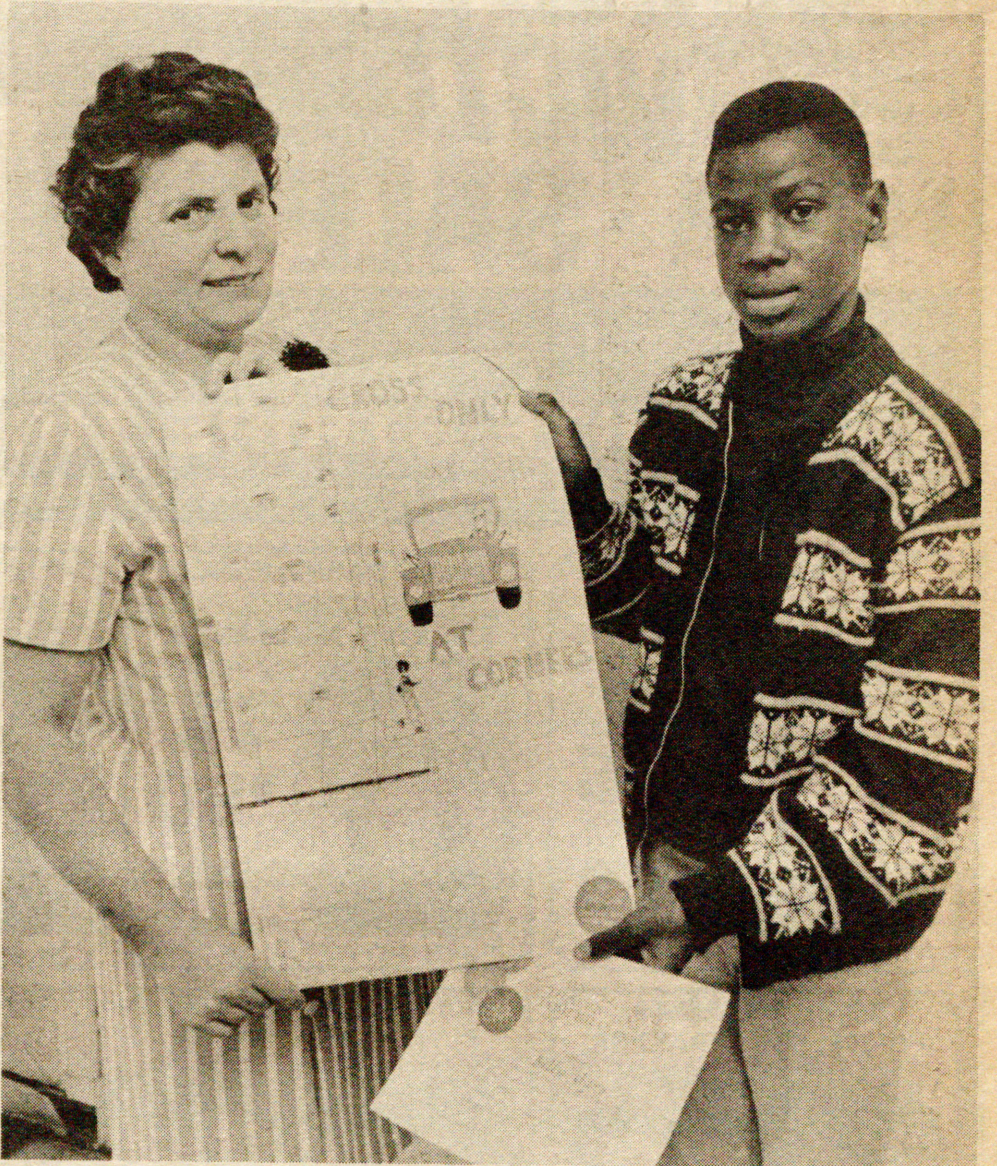

Louis Rauch becomes Tail Twister, and Robert Krueger, Lion Tamer.

## In Puerto Rico

LOCKPORT --U. S. Air Force Staff Sergeant Donald Friis is participating in "Exotic Dancer II", a joint air, ground and sea training exercise in Puerto Rico.

Sergeant Friis, a radio technician, is permanently assigned at Norton AFB, Calif., in a unit of the Military Air lift Command.

He served during the Korean War and has served in Vietnam. His wife, Carol, is the daughter of Mr. and Mrs. Charles Gardner, 321 Jefferson St., Lockport.

LOCKPORT STUDENT, Billy Gary of Fairmont School, won the traffic safety poster contest sponsored by the American Automobile Association. His sixth grade teacher is Mrs. Ardis Cassani. Contest rules provided a choice of two slogans, "Cross only at corners" and "Wear white at night". Billy chose the "cross only at corners" slogan.

## Says Re-Registration Of Voters Is Useless Cost

Legislation requiring state-wide re-registration of all Illinois voters before the 1970 primary election was opposed in a letter written by Clara Hartley Woodard (R) County Clerk of Will County, to the state senators from Will County's 40th and 41st Senatorial districts, and to the county's representatives from the 41st and 42nd Representatives districts.

Mrs. Woodard told the legislators, "This is an impractical bill and should not be allowed to become law. I would consider this re-registration a gross waste of taxpayers' money and a gross waste of time."

She explained her opposition to the bill as follows: --It would cost an estimated \$350,000 in Will County alone.

--Some voters now registered would not re-register. They then would be unable to vote in the 1970 primary election.

--She has just cleared her voting records of people who

have moved and have not notified her office or have died outside the county.

--Most Illinois counties have registration cards which are dated up through 1971 but which are adaptable for use through 1994.

"If this bill passes," Mrs. Woodard explained, "there would have to be three registration days in 191 Will County precincts. This means we would have to rent polling places and pay registrars for a total of 582 days."

She estimates the cost would be \$350,000.

Presently there are 191 precincts in Will County, but Mrs. Woodard expects the County Board to create four new precincts during the next month.

Mrs. Woodard also noted that state law requires and

## Receives Award

LOCKPORT - David Lee Moulthrop received the Elmhurst College 1969 presidential award in recognition of his campus leadership.

prescribes a procedure for county clerks to clear their registration lists every four years.

"This procedure has been set by state law, and if it is followed by each county, the registration lists should be up-to-date all over the state," she said.

Mrs. Woodard also stated that a total re-registration would work to disenfranchise some Will County voters, who, because of age or inclement weather, would fail to re-register.

She said the tentative dates for re-registration as established by the proposed legislation are Nov. 21, 1969, Dec. 19, 1969, and Jan. 15, 1970.

"At a time when taxpayers are up-in-arms over the increasing cost of government and there is talk of a taxpayers' revolt, it is senseless to consider passing legislation which will cost Will County an estimated \$350,000 when the legislation is not necessary," Mrs. Woodard said.

# 310 L-W Seniors Get Diplomas Tuesday

NEW LENOX --

Lincoln-Way High School held its 15th commencement Tuesday night, June 10, in the gymnasium.

Three hundred and ten seniors received diplomas - the largest class in the

school's brief history.

Ray Montsalvatge, of Dayton, O., professional speaker and a nationally known man of many talents, delivered the address. He is the first Lincoln-Way commencement speaker ever

invited back for a return engagement.

Last year he flew more than 125,000 miles, and delivered 279 speeches, appearing before audiences in many foreign countries as well as those in North America. He rates as one of the best 10 professional speakers in the United States.

The program last night began at 8 o'clock with the processional, the graduates filing in while the school band played "Land of Hope and Glory."

The Rev. Herbert George pastor of the New Lenox Methodist Church, gave the invocation and Roger Marth, a language and physical education teacher at Lincoln-Way introduced the speaker. Supt. A. Hunter Chapman presented the class and Dr. Lowell Webb, president of the board of education, distributed diplomas. benediction was given by the Rev. E. H. Albers, pastor of Immanuel Lutheran Church, Mokena.

An informal reception for the graduates and their relatives was held in the all-purpose room and main lobby immediately after the program.

At the Honors Day program, which also was held in the school gymnasium, 41 students received Silver Awards for maintaining scholastic averages between 3.0 and 3.49, from Supt. Chapman, and he gave out Gold Awards to 23 students whose averages were between 3.50 and 4.00.

The Fred Scheel Scholarship which totals \$2,000 was divided equally among four students, Lois Albers, William Kennedy, Roxanne Knakmuhs and Tobin Mathews.

Jerry Hearn was awarded the Elizabeth Cappel Scholarship, \$100, and Kathleen Rauch, received the Katherine Lotz Scholarship, both given by the Mokena

Woman's club.

The Economy Super Market Scholarship, worth \$400 was divided equally between Jeannine Heitman and William Kokal. Peter S. Holt and Michael Kruck divided the Lincoln-Way PTG Scholarship of \$150; the Don Paulson Scholarship, \$150, went to Vaughn Karkos; Miss Knakmuhs and Gay Facinelli divided the National Honor Scholarship of \$200; Nancy Landfried was awarded the Summit Hill PTG Scholarship of \$100; the Sally Hommerding Scholarship, \$215, went to Rolena Diane Merrick; the Mokena PTA Elizabeth Cappel Scholarship, \$100, went to Scott Stewart; the Frankfort PTA Scholarship, \$100, went to Jane Rheinwald; Lincoln-Way FTA Scholarship, \$150, was divided among Karen Moutrey, Kathleen Seeley, Gay Facinelli; Lincoln-Way Student Body Scholarship, \$700 was divided between Christine Schaefer; Kathleen Rauch received the Mu Alpha Theta Scholarship, \$40; Lincoln-Way Area Teachers Scholarship, \$100, went to Marion Nuetzmann, and the Lincoln-Way F.B.L.A. Scholarship, \$75, went to Jan Zabelka.

Jill Vally, Linda Roesel, Alys Karen Vecera, Judy Seyb, Kristal Nieland, Karen Moutrey, Fredika Mikles, Kathleen Pottgen, Diane Krueger, Dorothy Omland, Betty Holman, Karen De-Porto and William Zugenbuehler received teacher training scholarships which will pay their tuition and some fees for four years at a state University. Alternates are Betty Walker, Diane Holm, Robert Linkowski, Martha Mutsch.

According to Jonas Lashmet, guidance director, Lincoln-Way graduates received approximately \$75,000 in other awards, grants and scholarships.

# SUPER WHAT IS IT

This is the head of the fruit fly with a magnification of 180 times.

Magnification of 350 times shows the eye contains many smaller lenses like a mosaic.

Magnification of 2240 shows the corneal lenses grouped closely with setiform hairs in between.

Magnification of 11,200 reveals that each facet has a sub-structure of small humps on its surface.

by Joe Costa

An electron scanning microscope that until recently has been used to observe the structure of wood, polymer fibers, and metals is now being used at Florida State University to study sensory organs of animals.

Purchased with funds from the National Institutes of Health, National Science Foundation and the State of Florida, it permits researchers to obtain three-dimensional views with a magnification up to 150,000, as attested by these photos of a fruit fly's eye.

A biophysicist, Dr. Lloyd M. Beidler, and a neuroanatomist, Dr. Pasquale Graziadei, are using the instrument to study the sense organs of man and animals.

## Find Drug for Parkinson's Disease

Copyright 1969 World Book  
Science Service

The inadvertent experience of a housewife seeking to throw off influenza has led to discovery of a new treatment for Parkinson's disease.

Early in 1968, the woman, a victim of the disease, reported that a 200mg daily dose of amantadine chloride taken to counteract the flu have caused her to become more mobile and less tremulous.

### Medical MEMO

By BETTY JOHN

When she discontinued the drug after six weeks all her Parkinsonian symptoms returned.

As a result, Dr. Robert S. Schwab and his associates at Massachusetts General

Hospital, Boston, began a large-scale test of amantadine chloride.

They prescribed that 163 patients with Parkinson's disease take a 100mg capsule of amantadine after break-

fast each day in addition to whatever other medications they were already taking. If no adverse side effects appeared, they increased the dose to a second 100 mg capsule.

A third 100mg capsule seemed not to increase the benefits. If patients showed no beneficial results from the amantadine within two weeks, it was discontinued.

Of the 163 patients tested, 107 or 66 per cent showed a reduction of rigidity and lessening of tremor. Fifty-eight per cent showed considerable improvement for three to eight months and lesser improvement thereafter.

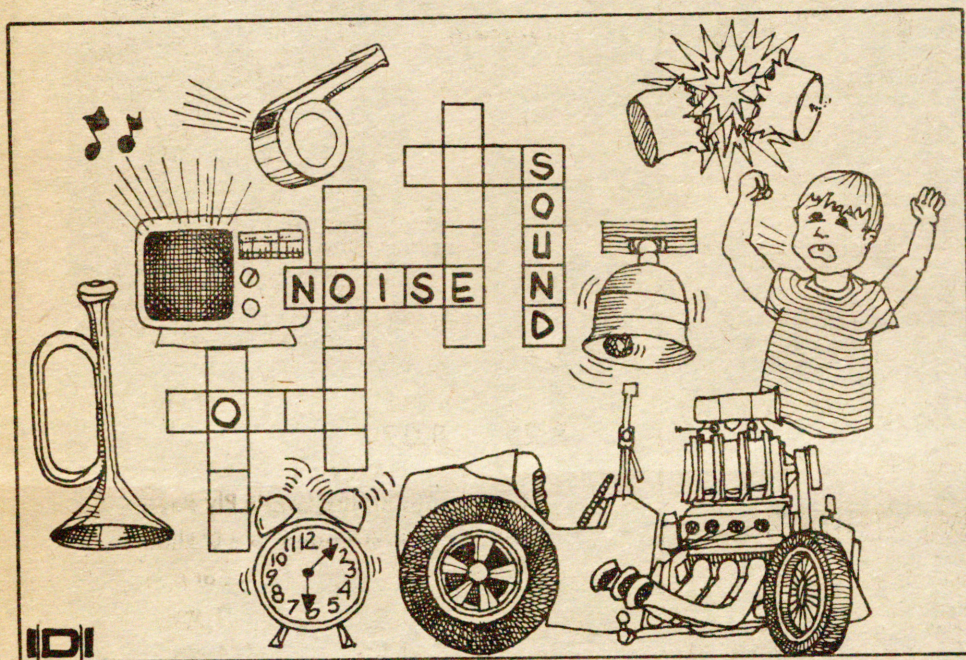

When amantadine was withdrawn entirely, the patients experienced a prompt return of their symptoms. When they resumed medication the benefits began again.

Though not as effective as the extremely costly L-DOPA, amantadine does not require hospitalization or the time consuming buildup in dosage. "It is a substitute," says Dr. Schwab, "until L-DOPA is available to all patients."

#### MENINGITIS VACCINE

## The Junior Scientist

## When Does Sound Become Noise

Copyright 1969 World Book  
Science Service

Noise has been defined as unpleasant sound. In other words, if you're at the party, what you hear is sound.

But if you're upstairs trying to fall asleep, what you hear is noise.

Scientists are trying to work out a more reliable system for making this distinction.

And they're also trying to

figure out the exact point at which noise is dangerous rather than simply, annoying.

It is already known that certain noise levels can cause temporary hearing loss.

With time, the inner ear can be permanently damaged. That's why the men who work on the ground around big jet planes wear protecting earmuffs.

Scientists have also learned that over a long period of

time slow, creeping increases in the noise will cause damage to hearing.

And modern civilization is getting noisier all the time.

Acoustical engineers-scientists who specialize in sound-are trying to develop some guidelines for protecting our hearing. One of the things they're especially concerned with is insulation.

How thick should walls be in apartment buildings? How

can machines be made quieter?

Can you complete the crossword puzzle? The "across" words must rhyme with NOISE; the "down" words must rhyme with SOUND.

ANSWERS: Across, top to bottom: toys (or boys or joys), noise, poise. Down, left to right: pound (or round or mound of bound or wound), clowned, downed, sound.

# Little Teams Enter Mokena League

Mrs. Emil Wille  
Telephone 469-5277

This year the Little League teams of Lincoln Estates are playing in the Mokena Association. The major league teams play on Tuesday and Thursday evenings and the Minor leagues play on Monday and Wednesdays. The games begin at 6:30 p.m. Everyone is invited to attend the games and cheer the teams to victory. Come out and support the area teams. The Little League play began last week with the Lincoln Estates Pilots playing two games at Mokena. The Pilots lost the first game to the Pirates of Mokena by a score of 29 to 17. On Thursday night, May 29 they came back to win 17 to 3. The Pilots are made up of eight and nine year olds of Lincoln Estates. The second game featured the pitching of John Bluth and Denny Zimmerman plus the batting of Ty Iles. The Lincoln Estates Expos lost their first game, June 3, by a score of 4 to 3. The pitching of Terry Loftus and Ray Hummel kept the score close and sparkling plays were turned in by Robert McCarter, Tommy Wilson and others. The Expos play the Cubs at the Mokena Park June 17. On June 11 the Pilots play the Braves, on June 16 they play the Yankees and on 18 they play the Pirates. These games will all be played at the Mokena Park.

Cub Scout Pack no. 237 has held its last pack meet-

ing of the season. Cub master Tom Heaton expressed appreciation to everyone for cooperation in the paper drives. Anyone wishing to have their papers picked up during the summer months can call Tom Heaton at 469-5614. The Cub scouts had their swimming party on Tuesday evening June 3 at Castle Acres in Hickory Hills. There were 23 children and eight adults attending. The adults were the Cubmaster Heaton, Mrs. Russell Wolcott, Mr. and Mrs. Robert White, Mrs. Jack McCarter, Mrs. Howard Bluth, Mrs. Lawson Iles and Mrs. Stanley Staton.

Mr. and Mrs. Chris Lambie were surprised when their son Joe called from Forestville, Md. to tell them that their new grand daughter had arrived. She has been named Lisa Marie. The Joe Lambies have another daughter Jeanette.

The Brownie Girl Scout troop no. 376 received the Piper Award. On Saturday the Brownies together with their leader, Mrs. Wayne Sulkowski, co-leader Mrs. Joseph Albright and Mrs. Jack Newton, committee mother went on a hike to Pilcher Park.

The Ann Rutledge school board will hold their regular meeting tonight (June 11) at 7:30 o'clock.

Mr. and Mrs. George Kaehler had some surprise guests on Sunday. Mrs. Kaehlers cousin, Mrs. Ruth Anderson of Chicago and Mr. and Mrs. Harry Kaehler of Oak Forest and Mr. and Mrs. Ed Mercier and son were guests for dinner. Mr. and Mrs. Chester Bluett and son of Chicago also came to call.

Mr. and Mrs. Elwood Zitter and Miss Helen Edstrom have returned from a vacation of about twelve days.

They drove to Miami and from there they flew to Nassau where Mr. Zitter attended a business conference at Emerald Beach.

Stephen Bluth, son of Mr. and Mrs. Howard Bluth was confirmed at The St. Mary church, Mokena.

Mrs. Roy Robertson en-

tertained at a party on Saturday May 31 in honor of her daughter Linda's Ninth Birthday. Guests were Tammy Heaton, Cathy Chidester, Marcie Albright, Lisa Coburn and Linda White. Refreshments of Barbecues, potato chips, ice cream and cake were served. Linda received many lovely gifts.

Dear friends,

The Better Business Bureau writes: "In many cases where (funeral) bills have been contracted out of proportion to the survivor's ability to pay, the fault has been with the family rather than the funeral director."

"He may seek to safeguard your family against extravagant expenditures but, in the final analysis, the decision is yours."

## Name Woman Of Year

ROMEONVILLE -- Florence Jacobsen was named "woman of the year" by the Lutheran Church Women of Good Shepherd Lutheran Church, Romeoville, at their recent mother-daughter banquet. Mrs. Jacobsen, wife of Frank and mother of Charles and Gloria, once had polio and spends her time in a wheel chair.

This does not deter her from doing her housework (including washing and waxing floors), sewing her own clothes and some of her daughter's, playing the organ for the early Sunday church service, singing in the church's senior choir, teaching Sunday Church School, acting as a faith and life chairman and an executive committee member of the Lutheran Church Women, being a piano teacher or driving a car.

Mrs. Jacobsen believes where there is a will, there is God's way to help one overcome a handicap. That she relies on this help is apparent in her patience, friendliness, courage, willingness to help others and ever-ready smile.

This gal is an inspiration to everyone who meets her and is an outstanding example of how it can be done despite hurdles placed in the way.

## Receives Award

LOCKPORT--Cornolo Insurance Agency, State and 9th Sts., has been presented the bronze president's achievement award by Ohio Farmers Insurance Group of LeRoy, Ohio.

Joseph and Gene Cornolo accepted the award from Charles Detwiler, manager of the Aurora service office. Cornolo Agency was one of only 19 insurance agencies in Illinois to earn this coveted award.

Agency was also cited for their professional service and their dedication to the complete protection of their customers.

DAWN McCLEARY will become the bride of Roy Minger, Jr. at 7:00 p.m., June 28 at the United Methodist Church, New Lenox.

The bride-elect is the daughter of Mrs. Robert McCleary and the late Robert McCleary of 917 No. Cedar, New Lenox.

A reception will follow the ceremony at the Veterans Memorial Hall, Frankfort. Invitations have been issued but all friends and relatives are invited.

Miss McCleary is an alumna of Lincoln-Way High School and is now employed as a secretary at the Rock Island Railroad in Chicago. The groom-to-be is a graduate of Lincoln-Way High School, Joliet Junior College and attended Northern Illinois University. He is now employed by the American Tobacco Company. (Behnke Photo)

ST. DENNIS CHURCH of Lockport was the setting for the marriage of Marsha Lynn Wolf and Frank Damakowski May 24. Bride is the daughter of Mr. and Mrs. J. Everett Wolf of Lockport and groom is the son of Mr. and Mrs. Frank Damakowski of Elwood. Attendants were Diane Wolf, sister of the bride, and Hohn Bobzin, cousin of the groom. Dinner was served at the Blue Willow Restaurant in Lockport following the ceremony. Open house was held later at the home of the bride.

## Sherry Nelson Weds Donald R. Maurer

Bouquets of pink gladioli and white chrysanthemums decorated the altar of First Lutheran Church, Joliet, at 4 o'clock Saturday afternoon, April 19 for the marriage of Sherry Lou Nelson and Donald R. Maurer.

The Revs. Engel and Goecken performed the rites uniting the daughter of Mr. and Mrs. Henry A. Oetter, 11026 Denny Ave., Mokena and the son of Mrs. Doris Maurer, 302 Popular Lane, New Lenox.

The bride wore a slipper length gown of white Peau De Soie fashioned with a softly controlled skirt and molded bodice featuring a shallow scoop neckline and elbow length sleeves dramatized by French ruffling. Appliques of imported alencon lace encrusted with pearls and crystals enveil of imported silk illusion was secured to a caplet of lace petals encrusted with pearls and crystals, and she carried a cascade of eucharis lilies and pink sweetheart roses.

Preceding the bride up the aisle was Mrs. Kaye Gilmour, matron of honor. She was attired in a toe-touching princess-line gown of Nile green linen with a wedding ring neckline decorated with white Venice flowers and elbow length sleeves. Back detail was provided by a panel wateau train sprinkled with Venice appliques. Her four-tier pouf veil of illusion was in a matching hue. She carried a crescent cascade of miniature carnations and sweetheart roses.

Mrs. Donald Maurer

(Behnke Photo)

Gowned identically with the matron of honor in hues of petal pink, maize and aqua were Ruth Maurer, sister of the groom; Debra Bauer, niece of the bride, and Deborah Baker, cousin of the bride.

Best Man was Harold Hoyt. Groomsmen were Robert Snider, James Burroughs. Ushers were Gerry Barz and Jerry Egle.

Following the ceremony, a reception was held in the

church parlors.

The bride's mother chose to wear a coat and dress ensemble of pink linen with pink and white accessories.

The groom's mother wore a coat and dress ensemble of apricot linen with matching accessories. A corsage of cymbidium orchids complimented their ensembles.

Following a trip to Florida, the newlyweds are residing in New Lenox.

## Romeoville Pastor Attends Convention

A Romeoville resident and his pastor traveled to Rock Island recently to plan the spending of three and one-half million dollars for Lutheran Church work in Illinois and eastern Missouri.

Myron Schuetz of Romeoville represented Good Shepherd Lutheran Church along with Rev. Robert Wegehoft, pastor of the church, at the annual convention of the Illinois Synod of the Lutheran Church in America.

Convention, representing a quarter of a million Lutherans, acted to receive reports and give direction to Augustana and Grand View Colleges, Lutheran School of Theology at Chicago, student work at universities throughout the state, vast welfare programs of the Lutheran Welfare Service of Illinois, two hospitals and home and foreign mission programs. Action was taken on a \$3,543,165 budget.

Convention was planned to increase lay participation both at home and at the meeting.

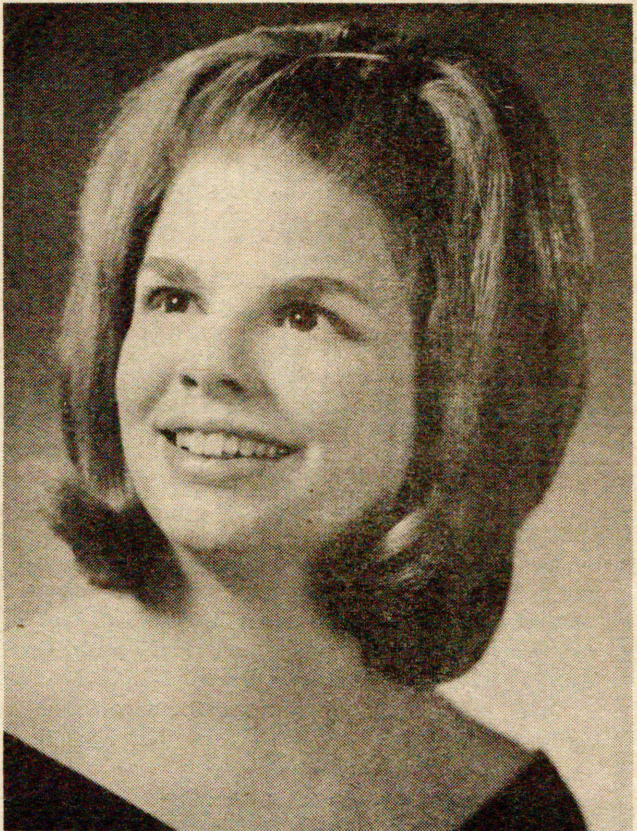

At Good Shepherd Lutheran Church of Romeoville, Morton Erickson served as liturgist and delivered the sermon at both the 8 and 10:45 a.m. worship services last

### Set Meeting

ROMEONVILLE -- St. Andrew's Liturgy Commission will meet June 13 at 7:30 p.m. Anyone interested in learning more about the liturgy and participating in the work of this commission is welcome to attend.

Sunday. Erickson is a member of the church council, teaches a seventh grade Sunday School class, is an adult

counselor for the youth group, is a member of the senior choir and the Good Shepherd evangelism committee.

JUNE WEDDING--Mr. and Mrs. Carl A. Olson, of 430 E. 14th St., Lockport, announce the forthcoming marriage of their daughter, Carol Ann, to Andrew John Partilla, son of Mr. and Mrs. Gus Partilla of Joliet. Wedding is set for June 14 at 11 a.m. at St. Dennis Church in Lockport. Reception will be held at the Harwood Post American Legion Hall in Joliet from 2 to 6 p.m. Invitations have been sent but all friends and relatives are invited to both the wedding and reception. Miss Olson is a graduate of Lockport Central High School and is employed by the Phoenix Manufacturing Company in Joliet. Partilla is a graduate of Joliet East High School and is now attending Joliet Junior College. He is employed by the Joyce Seven-Up Company in Joliet.

**MOKENA PTS INSTALLS new officers.** At the right is the retiring president, Mrs. June Fant, giving best wishes to the new staff, which, from left to right, is made up of Mrs. Betty Winter, treasurer; Miss Eleanor Pester, 2d vice president; Mrs. Arlene Ryan, secretary and Mrs. Beryl Teague, the new president. Not present for the picture was Roy Wilhelm, 1st vice president.

## Pappas-Meisinger Exchange Vows

Bouquets of spring flowers and white pew bows decorated the St. Rocco Church, Chicago Heights, for the April 12 double ring ceremony of Miss Carol Lynn Pappas and David John Meisinger.

Rev. Antonio Mastrangelo officiated. The bride is the daughter of Mr. and Mrs. Fred Pappas of Chicago Heights, and the groom is the son of Mr. and Mrs. Earl Meisinger of DuPage.

The bride, given in marriage by her father, wore a floor length gown of white satin, empire waistline, with a bouffant skirt and full sleeves trimmed with lace at the wrist. Her nylon illusion veil was suspended from a large white bow. She carried a cascade bouquet of orchids, stephanotis and ivy.

Carol Pappas, sister of the bride, served as maid of honor. She wore a floor length sun-yellow culottes with puffed sleeves. She wore a flapper yellow band in her hair, and carried a round-ball bouquet of daisies.

Bridesmaids were Judy Meisinger, sister of the groom, Judith Napoleon, Eileen Robeck and Judith D. Apice, friends of the bride. Each wore floor length culottes in green, with matching hairpieces. Each carried bouquets of daisies, gypsophias and tulle streamers.

Dennis Meisinger, brother of the groom, served as best man. Ushers were Dean Meisinger, James Golden and Robert Casnor.

For her daughter's wedding, Mrs. Pappas chose a

**MR. AND MRS. DAVID MEISINGER**

powder blue silk suit with pink accessories. Mrs. Meisinger chose a turquoise dress with matching hat, white accessories. Both mothers wore orchid corsages.

Dinner-reception was held for 300 guests at the Catholic War Veterans Hall in Chicago Heights.

Following a honey-moon trip to Colorado, they are residing in DuPage, where the groom is engaged in farming with his father.

## Christian Scientists Meeting

The power to bring concrete change that characterized the life of Jesus is still available to society. This was told to the 10,000 Christian Scientists at their annual meeting June 2.

Inman H. Douglass, chairman of the Christian Science Board of directors, read the directors' annual message.

"What Can We Do for Our World?" was the theme that developed in a series of meetings and workshops continuing thru June 5.

New president, Miss L. Irmay Gwalter, noted that humanity is searching for emancipation.

**SUMMER PARADISE salad luncheon, sponsored by St. Andrew's Council of Catholic Women of Romeoville, will be held June 19 from 11:30 a.m. to 1:30 p.m. Checking out plans are Mrs. Lester Belinski, community affairs chairman; Rev. Arthur H. Maher, moderator, and Mrs. Lloyd Considine, president. Tickets are \$1.25 for adults and 50 cents for children and will be available at the door.**

**MOKENA --**

Miss Debbie White, bride-elect, was the honored guest at a miscellaneous shower given Sunday by Mrs. Orville Bernhoft and Mrs. William Malloy in the Bernhoft home.

Miss White was presented with a corsage of white mums

upon her arrival at the party.

Games were played and prizes awarded to Mrs. Pat White, Mrs. Shelby Gill, Mrs. Stanley Brown, and Mrs. Darrell Erickson.

Many lovely gifts were presented to the guest of honor, and she was assisted in opening them by Mrs. Wayne Klasing.

Luncheon was served buffet style from a table centered with a decorated cake, and individual favors decorated each place.

Twenty-eight guests from Mokena, Frankfort, New Lenox, Valparaiso, Indiana, and Joliet attended the party.

Miss White was honored at a party last week given by her classmates at the University of Texas, and was also entertained last Friday at a luncheon given by her bridesmaids at the Italian Village in Chicago.

Mr. and Mrs. Michael Bernard of Key West, Fla., are vacationing here for two

weeks, with their parents, Mr. and Mrs. William Malloy of Lincolnwood, and Mr. and Mrs. George Bernard of Mokena.

Mr. and Mrs. George Hacke and family moved Friday to Erie, Ill. where he was transferred in his work at the nuclear station. The Marvin Palmer family of Frankfort will move into the Hacke home.

Airman Herman Beck who is stationed at Lowry Air Force Base in Denver, Colo. spent the weekend here with his parents, Mr. and Mrs. Herman Beck. A family picnic was held on Memorial Day.

Cub Scout Den 8 and 5 attended the White Sox Ballgame in Chicago last week, and participated in the Memorial Day parade in New Lenox.

## NEW LENOX

# Will Sell Doughnut Tags For S.A. Friday

Telephone--485-2365  
NEW LENOX --

Salvation Army Doughnut Day chairman in New Lenox this year will be Mrs. Verna Gratrack of 181 Wallace St. and her co-chairman Mrs. Lee Pasta have again asked the members of the Booster club of Oakview school to help them in their effort to raise funds on The Salvation Army's Doughnut Day, Friday, June 13.

Goal for the 1969 Doughnut Day is \$196,000. Funds will benefit the anticipated 200,000 men, women and children in the greater Chicago area and suburban communities, who will be helped during 1969, through the social welfare provided by the Salvation Army.

The amount raised in New Lenox for 1968 was \$475.25 and this year the goal will be \$500.00.

Tagging activities on June 13 will begin at 6 a.m.,

and extend through most of the afternoon.

Volunteer taggers in New Lenox will be: Marty Lukens, Michele Schirru, Emily Denson, Elaine Roesel, Cinday Thompson, Cheryl Clark, Sue Alexander, Marion Kerr, Petty Williamson, Mark Stoneburger, Andra Floyd, Shelly Nickel, Lori Int-Hout, Shelly Harl, Sue Filter, and Debbie Warmbold.

Raymond Joseph Jast, son of Mr. and Mrs. Frank Jast, 1246 Green St., New Lenox, Ill., was awarded the Bachelor of Arts degree in Government (special honors in government) from MacMurray College.

New Lenox Band Boosters of Oakview school have elected the following officers for the coming year: President, Paul Ellenberger; Vice President, Janet Falk; secretary, JoAnne Moore; and treasurer, Judy Hodges.

Those from the New Lenox Grade School Band selected to go to Band Camp at Illinois Wesleyan in Bloomington are, Jay Knobloch, Kathy Reinert, Peggy Binion and Steve Krohn.

For the first time in their young life, the New Lenox Merry Maidens 4-H Club (just one year old) has entered the Will County "June Dairy Month" promotion contest sponsored by Pure Milk Association, American Dairy Association and County Agriculture Extension Service.

The girls are busily engaged in plans for their Monday thru Saturday, dairy promotion during the week of June 16 thru June 21.

They are doing their best in planning an activity for each day to (1) promote the sale of dairy products and (2) inform the general public of nutritional values of several dairy products.

There are plans for children as well as adults so they are anxious for all to come to New Lenox during this week to visit their dairy display and become, as the girls in the club put it, "A dairy wise dearie."

# Junior Olympic Program Set In Lincoln-Way Area

The Lincoln-Way area Junior Olympic program, directed by Joseph Rodriguez, Mokena, head track coach at Lincoln-Way High School is to get under way June 25.

That date is also registration day for those who wish to join the summer's program, which will be open to all boys and girls in the area between the ages of 6 and 20. The day sessions will be geared to the elementary group. The more advanced youngsters will be encouraged to come to Lincoln-Way High School because of the better facilities there. Everyone, Rodriguez said, will be encouraged to participate in some phase of the program.

The youngsters will practice various track and field events. There will be various track meets to spur competition and the boys and girls from the area will also take part in various AAU meets at Chicago and Glen Ellyn.

The state finals for the girls junior Olympics is slated for July 17 at Chicago and the state finals for the boys will be the pre-

ceding week, on July 9.

The program financed by public contributions, a large portion coming from the Lions Clubs, and will be held at the Manhattan School, Frankfort Park, Mokena Park and at Lincoln-Way High.

The days will be Monday, Wednesday and Fridays. In the weeks when a track meet is held on Saturday the days

will be Monday and Wednesday. Thursdays will be reserved for AAU meets.

The only equipment required of each youngster who joins the program consists of shorts, T-shirts and tennis or track shoes.

Boys playing in summer baseball programs will not be allowed to participate in the practices at Lincoln-Way High unless special

permission is granted.

A special event is scheduled for the Fourth of July in the Mokena Park, as an added attraction for the annual festival in the community. There will be a 10-mile race for those 13 years of age or older. This will be known as the Fred Lehman Run, in honor of the late secretary of the Mokena Lions Club. There will also be 50-yd., 100-yd. and 440-yd. dashes for youngsters between 6 and 12.

The time and place for registration in the summer Olympics program, on June 25:

Manhattan grade school, 8:30 to 10:30 a.m.  
New Lenox grade school,

11:30 to 1 p.m.

Mokena Community Park, 1:30 to 3 p.m.

Frank Community Park, 3:30 to 5 p.m.

Lincoln-Way High School, 7 to 8:30 p.m.

Track meets are scheduled at Lincoln-Way High July 12, July 26; Aug. 9, Aug. 12 and Aug. 22.

Coach Rodriguez has girls as well as boys at Lincoln-Way High who run the year round, regardless of weather conditions. He doesn't make them run -- he inspires them, and it is odds-on that he will have the runningest collection of kids before the summer ends that anyone ever saw in these parts.

### Youth Center Building Fund

**ROMEOVILLE** -- A building fund for use in construction of a Hampton Park Youth Center was started when the Neal Murphy Testimonial Dinner Committee voted to establish the "Neal Murphy Building Fund" using excess money from the dinner.

Final treasurer's report for the dinner shows spon-

sorships of \$1,392; ticket sales, \$2,892; and ribbon sales, \$26.36; for a total of \$4,310.36. Expenses came to \$4,007.29 leaving a balance of \$303.07 to begin the building fund.

Any person or organization wishing to add to the fund may contact either Lee Rawson or Bill Bessette, fund trustees.

## Swim Program Proposal For Chaney District

By Beverly Smutnak

Crest Hill--Actually swim in a public swimming pool? Impractical. Impossible. Or is it? Is one of the finest facilities for physical fitness a community basts of, nothing more than a mere place in the sun, to splash and jump around?

Mrs. Clare Wagner, resident of Chaney School District 88 in Crest Hill wants to make swimming a reality here. She approached the school board with a physical fitness plan and hopes to procure enough volunteer help to get the program underway this summer at Chaney pool.

Mrs. Wagner learned to swim as an adult at the YMCA and in her own words, "fell in love with the sport." Her ambition was to keep improving, and her desire is to share this enthusiasm with members of her community. She is now active at the Joliet Y where her family holds a membership. She holds a certification in Red Cross senior lifesaving.

She has volunteered to organize the plan. It will not add any expense to the district. Two plans are proposed. Space required of Plan A is 12 feet times the width of the pool at the lifeguard station. Plan B is 12 feet times sixty feet. The time period would be one hour each day during a regular swim period.

Instruction to participate are simply to do warm up exercises, swim a minimum of one-fourth continuous mile using any basic stroke and to record such. She cites the benefits of, "participation of adults and children alike, development of character traits of persistence and the effort to achieve and surpass ones own former efforts."

Eventually to develop a 10, 25, and 50 mile swim, and the encouragement of the project by the school board and school officials participants in the program could be recognized along with other athletes at the annual Monge athletic banquet.

In wanting to bring swimming to the young people of her community, Mrs. Wagner feels, "with such a fine pool as Chaney right here in our own community, our children can all be swimming stars."

**JOHN SANDBERG**, a native of Plainfield and a graduate of Joliet West High School, recently was awarded his second varsity letter in golf at Northern Illinois University by coach Jack Pheanis. Sandberg, a senior, totaled 687 strokes for 8 1/2 rounds this spring for an average of 80.8 strokes per round.

## On Father's Day

All fathers in our nation,  
Are honored on this day,  
As we all pay them homage,  
In our own special way.  
They are so very dear to us,  
Though often we don't show it,  
So on this day, that's just for them  
We can make sure, they know it.  
Let's try to see them, if we can,  
To let them know we care.  
To thank them for all they do,  
For the many things we share.  
So don't forget YOUR father,  
On this day that's his alone,  
He'll bask in love and thoughtfulness,  
From his children, young or grown.

## Sport Slants

LEMONT --

By Russ Sandberg

Robert Dale Johnson, Lemont's lone contribution to professional baseball, is currently performing on behalf of the Tidewater Mets (Norfolk-Portsmouth, Va.), the triple A International League affiliate of the parent New York Mets.

Besides baseball, Bob must also have had his mind on other things, for on Monday, May 5, he and Gerry Damaska, of neighboring Lockport Township, became man and wife.

Followers of The Sporting News are aware of this fact, for Gerry's picture, (sporting her new ring, of course) appeared in a recent issue of this periodical.

Manager Clyde McCullough has used Bob mainly in a late inning relief role, where his 0-1 record belies the point that 4 saves have been accumulated. The 6'4" 215 pound right hander has also struck out 24 men in 22 innings of work.

A very serious leg injury threatened to cut short his baseball career in 1967, but the son of Mr. and Mrs. Robert Johnson has now bounced back to come within 1 step of reaching the Major League plateau.

The 26 year old chucker

was an outstanding all around athlete at Lemont High, and later pitched for the state semi-pro champion Will County Athletics, before signing a professional contract with the New York Mets.

I'm certain that all Lemonters join with me in wishing Bob continued success on the baseball diamond, but also to he and Gerry in the field of matrimony.

Lemont is also represented on the college baseball scene in the person of Jim LaMay, who has been a 3 year regular second baseman at Culver-Stockton College.

The Canton, Missouri based school recently completed a fine 16-8 season. Playing a major role in the successful 1969 campaign was young LaMay, who rapped the horsehide at a .317 clip.

Culver-Stockton finished second to William Jewell in the Missouri Valley College Conference, a school which was national small college N.A.I.A. champions in 1968.

Coach Bill Trumbo no doubt is eagerly looking forward to 1970, for only 2 regulars depart from an already veteran, well balanced

# If you're one of the thousands of homeowners who'll say goodbye to their old furnace this year, here are 5 things you should know about electric heat.

**One.** When you have an electric heating system in your home, you take warmth and comfort for granted... because electric heat rarely, if ever, needs repair or adjustment. It just doesn't grow old. In fact, some manufacturers guarantee their electric heating equipment for the life of your house.

**Two.** With electric heat, there's no flame or combustion that can draw in cold air from the outside. You eliminate drafts around your ankles and cold spots in your house.

**Three.** You should know, too, that the most modern heat is also easy to install... because anywhere you can run wire, you can heat with electricity.

**Four.** Electric heat costs less than you may have been led to believe. Actually less than \$200 for an average 6-room home in the Northern Illinois area.

Sound as if we're trying to convert you? Right... and that brings up Number

**Five.** Converting to electric heat is simple... because there are several different systems available to fit any special requirements you may have in your home.

So now that you're interested, why not give our nearest office a call, and ask for Tom Rogers. Or, tear out the coupon, and find out just how easy it is to switch to the most modern heat there is. Electric heat.

## TINLEY GARDENS

# Homeowners Assn. Meets on June 10

### ANITRA GUNN

June 10 is the regular meeting of the Tinley Gardens Homeowners Assoc. Capt. Ken Warning of the Mokena Fire Dept. will be our guest speaker. This meeting should be very interesting for all residents of this community so please make it a point to attend. The meeting starts at 8:00 p.m. at the home of Julius Sandy.

June 14th is Flag Day and everyone should make an attempt to show the colors that they are proud of. Many of us have friends or relatives in the armed forces fighting for the right to wave this flag, so let's be sincere in showing our support.

School is out and the children are out side playing hour after hour. It is very important to be extra careful of your driving safety at this time. Little children are too busy playing to watch for you so you must watch for them. Also parents please remind your children that the rubble from the farm is no place to play. The people at that corner try to discourage the practice of playing there but from many children all they hear is sass.

I have had brought to my attention that many people in our community have come

## Cheaper in the long run.

Gas will never cost you much. (You'll get up to 27 miles to the gallon.)

And the amount of oil you use is like a drop in the bucket. (It only takes 2.7 quarts and almost never needs more between changes.)

And the engine is air-cooled, so you don't have to spend a red cent for anti-freeze or rust inhibitors.

And you get more than your money's worth out of a set of tires.

But don't think buying a new Volkswagen is just another get-rich-quick scheme.

You have to wait until the second set of tires wears out.

## 4 Will Co. Deputies Are Going To College

Last week was the beginning of school for four Will County sheriff's deputies enrolled in the Basic Police Course at Prairie State College, Chicago Heights, according to Will County Sheriff Martin J. Jackson.

"The four men will undergo 160 hours of training sponsored by the State of Illinois and will be taught by federal, state, county and municipal police officials," Sheriff Jackson explained.

The four deputies are Walter P. Muehler, 19529 Midland, Mokena; Raymond J. Reilly, 402 Harwood, Joliet; Karl Scinski, 513 Bethel Drive, Joliet; and Raymond Waliczek, 102 Belmont, Romeoville.

Sheriff Jackson said the cost is \$150 per deputy, with the state paying one-half the tuition.

Courses include police and the public, legal subjects,

traffic, criminal investigation, records and reports, patrol procedures, firearms training and specialized training.

"During the last three years I have encouraged my deputies to make the most of the educational opportunities available," Sheriff Jackson said. "I wasn't satisfied with the level of professional expertise of the staff when I became sheriff. Something had to be done."

Sheriff Jackson said that at least 15 other deputies are now attending night school, taking advanced courses in police science.

"Almost all of these men have been through the Basic Police Course," Sheriff Jackson explained.

The curriculum for the Basic Police Course is established by the Illinois Local Governmental Law Enforcement Officers Training Board.

## Board Lacks Quorum

By Louise Schaller  
Romeoville village board did not hold a meeting last Wednesday due to lack of a quorum.

Mayor John O'Hara called the meeting to order at 7:30 p.m. and asked the clerk to call the roll. Two trustees were present, Jerry Capps and Harry Betzel.

Inquiries showed that Len
